

WORK HEALTH AND SAFETY POLICY

1.0 INTRODUCTION

Mi Electric is committed to providing safe and healthy working conditions for the prevention of work-related injury and ill health for all employees including our clients, visitors and members of the public.

This will only be achieved through the participation, co-operation and commitment of everyone in the workplace and empowering our team members to adopt a lead-from the front approach.

2.0 OUR COMMITMENT

-  Maintain a Safety Management System which meets the requirements of ISO 45001:2018.
-  Setting measurable OH&S objectives as discussed and agreed through Management reviews of business activities.
-  Comply with legislative, legal requirements and other requirements relevant to our business activities.
-  Maintaining processes for the elimination of hazards and the reduction of OH&S risks utilising the hierarchy of controls.
-  Maintain clear delegation of responsibilities and accountabilities.
-  Educate and train our workers and contractors so they can perform their duties competently and safely.
-  Consult with workers and gain their participation regarding health and safety matters to identify ways of reducing risks.
-  Communicate company policies and promote positive safe work initiatives.
-  Regularly evaluate our management systems to ensure continual improvement.

3.0 YOUR COMMITMENT

-  Adhere to Mi Electric's safe work practices, objectives and instructions.
-  Perform duties in a manner that ensures your own health and safety and that of others.
-  Comply with reasonable instructions from Mi Electric.
-  An ongoing personal commitment to the prevention of accidents and injuries.

Mi Health. Mi Safety. Mi Future
